The representative of the Finance Committee shall be included in this Committee. **The Committee shall meet on the 3rd Monday of the even months of the year (Feb, Apr, Jun, Aug, Oct, Dec).**

### GRANT FACTORS:

The committee shall be empowered to determine the amount of the grant to be given, taking into consideration the following:

a. The amount of scholarship money available.

b. Women requesting help to attend Seminary will be limited to a maximum of $1,000.00 grant in total.

c. Women who apply for a Scholarship to attend PW sponsored Conferences, Workshops, etc. will be limited to receive 1/3 of the cost to attend up to $500.

d. If an applicant is requesting scholarship support towards a multi-year program, such as a degree or certification program, will be limited to apply to one year only. Also, applicants should show that the money will be used for the Intended purpose.

e. Preference shall be given to events or programs sponsored by or affiliated with the Presbyterian Women of PC(USA).

f. A general rule of thumb is that travel expenses will be limited to the average cost of air travel even if driving is selected. This is due to the high cost of the IRS mileage rate.

g. Scholarships will be limited to Presbyterian Women of Central Florida Presbytery.

**Applications must be received at least six weeks before the applicant needs the money.**
